

ROBERT LEVEY - PHILOSOPHER, EDUCATOR, STRATEGIST

340 Ossipee Mountain Rd., Center Ossipee, NH, 03814 robert@exponentialsquared.com **603-369-1046**

Philosopher, Educator, and Strategist with nearly two decades of experience excelling in strategic planning, fundraising, and team management. Demonstrates expertise in nonprofit management, public relations, and financial oversight, consistently driving significant growth and operational improvements. Passionate about fostering collaborative environments and developing innovative strategies to enhance organizational impact.

Current Positions

Founder, EcoDialogues (2025 - PRESENT)

Based in Center Ossipee, NH, Robert designs and facilitates immersive programs exploring the connection between personal beliefs and broader ecological and societal systems. He develops written and visual content to engage audiences in philosophical reflection and systems thinking. His approach incorporates transdisciplinary frameworks, including Indigenous knowledge, Taoism, ecopsychology, and consciousness studies, promoting inner transformation as a catalyst for sustainable and socially responsible change.

Senior Online Adjunct Faculty, UNH College of Professional Studies (2020 - PRESENT)

At the University of New Hampshire, Robert teaches Nonprofit Marketing, Grant Writing, Fundraising and Resource Development, Leadership Theory, Evidence-Based Decision Making, and Capstone Research. He has designed and implemented three undergraduate and graduate courses: Nonprofit Marketing, Grant Writing, and Fundraising and Resource Development. Robert actively participates in focus groups to shape marketing and business leadership programs and previously instructed Leadership courses, enhancing student leadership skills.

Founder, The Philosopher Files (2018 - PRESENT)

Through The Philosopher Files, Robert produces original essays and multimedia content exploring meaning, consciousness, and the human experience. He integrates insights from philosophy, spirituality, and contemporary science to spark dialogue and critical **reflection**. His work supports public-facing projects including EcoDialogues and Exponential Squared by providing research and thought leadership. He maintains a dynamic online archive serving as a hub for inquiry, cross-pollinating ideas across disciplines.

Founder, CEO, Exponential Squared (2013 - PRESENT)

As the leader of Exponential Squared in Center Ossipee, NH, Robert leads business development, fundraising, PR, and marketing for nonprofits and SMEs, achieving measurable growth. He consults with clients to enhance visibility and impact, driving significant advancements. Robert develops tailored marketing plans and PR campaigns, increasing client engagement and support, while providing strategic planning and consultation that improves fundraising success and business development.

Freelance Writer, Self-Employed (2004 - PRESENT)

As a freelance writer, Robert creates feature articles on diverse topics, enhancing readership engagement. He develops compelling content that meets editorial standards and increases publication demand. His work involves researching and writing in-depth articles, showcasing analytical skills and subject matter expertise. Robert consistently meets tight deadlines, demonstrating strong time management and organizational skills.
